**PRESENTATION
NIGHT
2019**

Message from our Chairman

On behalf of our President, Derek Bell and my hard working committee, may I thank you all for attending tonight and it gives me great pleasure to be able to hand out more Pagham Pram Race Helping Others awards this year.

In addition to running the oldest Pram Race in the world every Boxing Day, the committee runs a number of fund-raising events throughout the year. Last year, we held three Bingo Nights and the Christmas Raffle and of course the Boxing Day Race itself. These events and the support from our ever growing list of sponsors help us to achieve our goals.

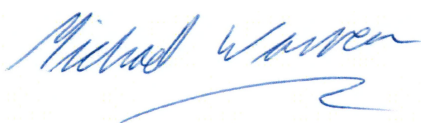

As with many organisations, we are moving with the times! For example we now have a new website (www.paghampramrace.com) which has news of up-and-coming events and many photographs and videos of Pram Races from the 1940s to 2018. We also have a Facebook page which is also full of photos and information which is put on by keen followers of the Pram Race.

During the 8 years I have been part of the committee, I have seen it grow and evolve. We are always interested to hear of new ideas and encourage younger people to join the committee and help us keep the fun in fund-raising. If you or someone you know would be interested in joining the committee or as a helper, please contact the committee at info@paghampramrace.com.

We would like to ensure that the Pagham Pram Race continues and remains part of village life for another 70+ years!

I hope you enjoy the evening.

Kind Regards,

Michael Warren, Chairman

HELPING OTHERS

2018 was a great year yet again for the Pagham Pram Race for raising money for the Pagham Pram Race Helping Others Fund. The Pram Race was of course a great success as were the three other fund raising Bingo Nights which were held during the year, not forgetting our Grand Christmas Draw which saw over 100 prizes won by local people. All our events during 2018 were well supported by local residents and businesses of Pagham.

So much so The Pram Race Committee are pleased to be able to award Helping Others Grants to the following 34 Local Good Causes out of the money raised in 2018.

4 Sight Vision Support
Aldwick and Pagham Sea Scouts
Arctic Fox
Bognorphenia
